Fort Ashby, West Virginia

For e w o r d

We, the 1969 Fortress Staff, hope that this annual will become one of your most prized possessions and that you may look back over the faded snapshots and remember the good days at FAHS.

In later years while turning these pages, if you should recall the many smiles, sorrows, and dreams of '69, we shall be content knowing that we have done the things we were called upon to do.

We have presented a key to each division of high school activity. Knowing that the key to success is enthusiasm, we have all whole-heartedly joined in to make this Fortress one of the best ever. We feel that your satisfaction with this volume is our compensation, and with this thought we proudly give you the key to the 1969 Fortress.

"Learn the sweet magic of a cheerful face; not always smiling, but at least serene."

D e d i c a t i o n

It is with thankful hearts and deep appreciation that we dedicate our yearbook to a man who has won the respect of the faculty and the love of the students. We are grateful for the helping hand he has given each one of us. He is a vital member of the Fort Ashby High School staff and without him we could not survive. His warm smile, friendly jokes, and helping hands have brightened many days.

In return for the priceless friendship and dedicated service you have given us, we the Senior class proudly dedicate our 1969 Fortress to you, Mr. William Shook.

In Memory of Captain Samuel Umstot

AWAY

I cannot say, and I will not say,
That he is dead - he is just away.
With a cheery smile and a wave of the hand,
He has wandered into an unknown land,
And has left us dreaming, how very fair
It need must be, since he lingers there.
And you - O you, who so wildly yearn
For the old time step and the glad return,
Think of him faring on, as dear
In the love of There as the love of Here.
Think of him as the same, I say;
He is not dead - he is just away.

Principal's Message

MR. J. WILLIAM MARKER

"If you have knowledge,
let others light their candles
by it."

Dear Seniors,

As this year draws to a close, search your hearts to rediscover those things which give meaning to your life. It is my hope that your experiences at Fort Ashby High School have contributed to your guidelines for living. As you go forward to assume the responsibilities of citizenship, I urge you to have a reverent regard for your fellowman, your community, and your country.

You have selected as the theme for your yearbook, "Keys." This is significant for each of you holds the key for your future. When the time comes for you to make the decision as to which door to choose, do not select the first door that your key unlocks. Choose to pass through the door that offers you happiness and satisfaction. Try to do things each day that will make this world a more joyous place to live.

I extend my best wishes to you for a successful future.

Sincerely,

A handwritten signature in dark ink that reads "J. William Marker". The signature is written in a cursive, flowing style.

Mr. J. William Marker, Principal

DO YOU CARE?

The World Vision Sponsorship Program
Works Like This -

- * You will get a photograph and a brief history of your child.
- * You'll get letters from him, keeping you informed of his progress. Letters are translated into English whenever necessary. Even letters in Braille from blind children are translated.
- * You can provide gifts, toys, clothes, school supplies and personal articles. With every little item you buy for him you'll know you're buying happiness for a little one that he never would have known without YOU and your love.
- * You'll be providing for his spiritual welfare also. Children are given Christian teaching. They are taught to pray and to love the Saviour. Your child will remember you in his prayers.
- * World Vision is made up of hundreds of people like you . . . people who care and have made these facilities possible and who are sponsoring helpless, needy children.
- * Group sponsorship (churches, Sunday Schools, groups of friends, etc.) are encouraged as well as individual and family projects.
